

EMPLOYEE LEAVE – LEAVE REQUEST

FEATURE SET II — AI IMAGE GENERATION PROMPTS

These four prompts are arranged separately so they can be copied and used individually to generate the Requirements, Algorithm, Flowchart and ER Diagram images for the college assignment.

1. Requirements Image Prompt

Create a clean, professional A4 assignment image for “Employee Leave – Leave Request”, Feature Set II.

Include:

- Employee Details
- Manager Details
- Leave Request
- Leave Dates
- Approval

Show functional and non-functional requirements in simple BCA 1st-year language. Use neat headings, boxes, readable text, proper alignment and a professional college-assignment design. Output ONLY as a high-quality image.

2. Algorithm Image Prompt

Create a neat A4 assignment image showing the Algorithm for “Employee Leave – Leave Request”, Feature Set II.

Steps:

START → Enter Employee Details → Enter Manager Details → Enter Leave Request → Enter Leave Dates → Submit Request → Manager Reviews → Decision: Approve? → YES: Display Approved → NO: Display Rejected → STOP.

Use numbered steps, clear headings, clean boxes and readable text. Professional BCA college assignment style. Output ONLY as a high-quality image.

3. Flowchart Image Prompt

Create a professional A4 Flowchart image for “Employee Leave – Leave Request”, Feature Set II.

Flow:

START → Employee Details → Manager Details → Leave Request → Leave Dates → Submit Request → Manager Reviews → “Approve?” decision diamond → YES → Approved → STOP; NO → Rejected → STOP.

Use standard flowchart symbols, arrows, process boxes and a decision diamond with clear YES/NO branches. Keep it clean, attractive and easy to understand. Output ONLY as a high-quality image.

4. ER Diagram Image Prompt

Create a clean professional A4 ER Diagram image for “Employee Leave – Leave Request”, Feature Set II.

Entities:

EMPLOYEE (Employee_ID PK, Employee_Name, Department, Contact)
MANAGER (Manager_ID PK, Manager_Name, Department)

LEAVE_REQUEST (Leave_ID PK, Employee_ID FK, Manager_ID FK, Leave_Type, Reason)

LEAVE_DATES (Date_ID PK, Leave_ID FK, Start_Date, End_Date)

APPROVAL (Approval_ID PK, Leave_ID FK, Approval_Status, Approval_Date)

Show correct PK/FK attributes and relationships clearly. Use proper ER notation, clean boxes, connecting lines, readable text and professional college-assignment design. Output ONLY as a high-quality image.
